## Standalone Settlement

This is the quickest way to produce a settlement quote but will calculate a new figure each time.

## In Quotation Settlement

This saves a settlement quote against a customer proposal allowing you to access again for 28 days.

**IMPORTANT:** This process is available for **Supplying Partners** only and you'll need to have the **Customer's Name, Date of Birth, Vehicle Registration, Agreement Number and Consent** before you can request a settlement in FAMOS. Please note the customer will be notified by SMS whenever a new settlement has been created.
